To Whom It May Concern

As of July 1, 2020, Gammon Technical Products has designated Deepak Precision Works Pvt Ltd of Mumbai India as a distributor of our products for India.

Deepak is assigned this distributorship on the understanding that they will market our products over any competitive products from other manufactures.

This agreement stands until withdrawn by either party, with at least 30 days notice.

A handwritten signature in black ink, appearing to read 'James H Gammon', written over the printed name.
